Dear Parents/Carers,

We have had a super end to what has been a year full of challenges. We have got through it and won as a team of staff, parents/carers, and children.

Your support throughout the last two years has been incredible. The covid restrictions that kept us apart physically, brought us together in ways we could not have imagined.

The children are a credit to you and the staff who teach and take care of them when they are in school.

We wish our Year 6 well as they continue their journey into secondary schools near and far. I also wish well all the children who are stepping up into the next year group and those who are joining us for the first time.

Thank you for making my last day very special. Your generosity, cards, gifts, comments, handshakes and hugs were hugely appreciated and overwhelming. I feel very honoured. Our school and our community are very special indeed.

My personal thanks for all the support you have given me over the last 20 years (yes, some of us have been together that long!) It has been an honour and a privilege to be the Headteacher of Hollinswood and I will miss you all. As you have with me, give Mrs Osborne your full support. Hollinswood will always have a special place in my heart, and I will be thinking of you wherever I go. All the very best with all that comes next.

Thank you for always being supportive

Yours sincerely

Glenn Atkinson
