### **Class Dojo**

You will also receive an email in the next couple of weeks inviting you to sign up to Class Dojo. This is the communication platform where we will use to share information with you, and you can share photos and information with us.

We use Class Dojo to introduce ourselves and share photos and videos of the school before your child starts. This will help relieve any anxiety you or your child has about starting school and make transition as smooth as possible. Class Dojo is used throughout school to share information and show what your child has been up to in school so it is important you accept the invitation and sign up.

Any questions please contact the school office on 01952 386920.

We look forward to meeting you soon.
