

# Foundation Stage Overview Autumn 2021

## Me, myself and I

### Starting point:

- Children to bring photos in from home to discuss and display. Who lives in your house?
- Children will talk about their families and their communities. Do your families live locally? Or do they live far away?
- What festivals do your family celebrate? What language do you speak at home?
- Diwali. Bonfire night. Harvest. Christmas around the world.

### Physical development

My Family

### Communication and Language

Listen to stories and talk about what has happened.

Learn new words related to families, Autumn and myself.

Talk about their ideas and experiences.

### Understanding the world

Begin to make sense of their life story and family history.

Find out about difference in families and between people.

### Expressive Arts and Design

Recreate stories through small world play using construction kits and materials.

Join in with songs and create their own music..

### Respectful

We will be learning about different families and the festivals they celebrate. We will be meeting new friends.

### Resourceful

We will be learning new skills to help us solve problems. These skills will be leaning to communicate and make positive relations.

### Resilient

We will be learning to deal with change and the challenges that come with the new routines and expectations.

### Responsible

We will be learning to take care of our own and others belonging. We are going to learn how our actions impact on those around us.
