

Sometimes we are
playing nicely with
our friends.

Oh no, I accidentally
knocked my friend.

**My friend is angry,
and saying horrible
things to me.**

**She might even try
to bite or hurt me.**

What Should I do?
What would my other
friends do?

They would say
sorry for what
happened.

Sorry!

**I remember this
and say sorry to
my friend.**

**I'm so
sorry!**

**My friend is still angry
but has stopped saying
the wrong things.**

I smile
at them.

I'm glad I
remembered
'sorry'.
